Biography:

Chuck Cohen's formal education includes a Master of Business Administration from Indiana Wesleyan University and an undergraduate degree from Indiana University with a double major in Criminal Justice and Psychology. Chuck is also a Certified Fraud Examiner.

He is a Captain serving the Indiana State Police, where he has been employed since 1994. He is currently the Commander, Intelligence and Investigative Technologies. In this capacity, Capt. Cohen is responsible for the cybercrime, electronic surveillance, technical services, and Internet crimes against children units along with overseeing the department's overt and covert criminal intelligence functions. Chuck is the Indiana Intelligence Fusion Center Executive Director and Indiana Internet Crimes Against Children (ICAC) Task Force Commander.

Chuck speaks internationally on topics including the implications of online social networks in criminal investigations and criminal intelligence gathering, cybercrime, online fraud, money laundering, corruption investigations, and the investigation of skilled criminal offenders. He is an Adjunct Instructor at Indiana University Bloomington, where he teaches Foundations of Criminal Investigation.

Chuck testified to the 114th Congress in 2016 as a subject matter expert on encryption. Chuck was a member of the Office of the Director of National Intelligence Summer Hard Problem Program in 2008, 2009, and 2010. The 2008 study topic was "3D Cyber Space Spillover: Where Virtual Worlds Get Real." The 2009 topic was "Mixed Reality: When Virtual Plus Real Equals One." And, in 2010, the topic was "Online Social Media." He sits on the IACP Cyber Crime & Digital Evidence Committee and serves as an Association of State Criminal Investigative Agencies Cyber Crime Committee Subject Matter Expert. Chuck is a charter member of the International Association of Cyber & Economic Crime Professionals.

He is a published author, including peer-reviewed material and a cover article for *Police Chief Magazine*. Chuck was featured on the cover of the National White Collar Crime Center's *Informant* magazine and a feature guest on the syndicated radio program "The Badge" on SiriusXM. He was a subject matter expert for a Fox nationally syndicated show regarding criminal activity in online dating sites and for the Canadian Broadcasting Corporation's national news regarding criminal activity in Virtual Worlds.
